Loire, Domaine de l'Ours Bleu, Varennes de Mestré, AOC Saumur, Rouge

AOC Saumur, Vallée de la Loire et Centre, France

Domaine de l'Ours Bleu was taken over by two friends in 2013 : they converted the 14 ha of vineyards to organic farming, and patiently waited 2021 to release their first wines. Their philosophy is to produce fully mature wines, after at least 24 months of ageing in different vessels (amphora, barrels, tanks). Saumur, Saumur-Champigny and Chinon are represented in their range.
