DO Valle de la Orotava, Spain

Suertes del Marqués is a family winery that has been producing wines since 2006. However, our tradition as winegrowers dates back to twenty years ago that date, growing and selling our grapes to other wineries in the Apellation Valle de La Orotava.

PRESENTATION

Geographically we are in the north of the island of Tenerife, in Valle de La Orotava, a valley within the town of the same name.

Since 2006 in this small family winery we have opted for the use of native varieties and traditional vine training methods. In order to preserve a viticulture and wine-making heritage that dates back five centuries old, we work only with growers from Valle de La Orotava.
