PRESENTATION

True to its "So Fresh, So French" promise, La Belle Angèle unveils a fresh, expressive and approachable alcohol-free white wine.

The grapes are sourced from carefully selected terroirs known for their high aromatic concentration, helping to preserve the wine's richness and character after dealcoholization.

The result is an elegant and convivial alcohol-free white wine that preserves all the pleasure of an aromatic wine in a modern, refreshing style.

WINEMAKING

Following a traditional winemaking, the wine undergoes gentle vacuum dealcoholization at low temperature (35°C). This precise technical process helps preserve the wine's aromas and freshness to the greatest extent possible. Particular attention is then given to achieving the final balance, with careful control of texture and aromatic profile to retain the wine's generosity, harmony, and approachability.

TASTING NOTES

With its pale yellow color and bright reflections, La Belle Angèle 0% White Wine reveals an intensely aromatic nose with notes of lychee, white peach, and exotic fruits, complemented by delicate floral hints. The palate is fresh, smooth, and well-balanced, offering vibrant fruit expression and an appealing liveliness.

FOOD PAIRINGS

La Belle Angèle 0% White Wine is an ideal companion for convivial aperitifs and fresh salads. It also pairs beautifully with white fish, sautéed shrimp, and crisp vegetables. Its aromatic freshness makes it a perfect match for light Asian or Mediterranean cuisine. Serve at 46°F.
