

MARRENON

MAISON DE VIGNERONS
ENTRE MER & MONTAGNES

Crozes-Hermitage, AOP Crozes-Hermitage, Rouge AOC Crozes-Hermitage, Vallée du Rhône, France

We have shaped and matured these prestigious appellations while retaining the recognized hallmark of our wines: elegance, richness and delicacy.

PRESENTATION

The historical vineyards of Marrenon have passed on to us a great passion for the Syrah and Grenache grape varieties on our magnificent limestone terroirs. The collection "Les Belles Echappées" reveals other expressions by exploring new terroirs of character.

TERROIR

The Appellation develops on a vast terroir. It is an area of multiple convergences: rivers and climatic influences. The play of fluvial deposits has created quite different soils, but the terraces of rolled pebbles mixed with clays is the most widespread.

These complex situations can create capricious vintages, which is the charm of this appellation!

In Crozes-Hermitage, we wanted to find a cooler terroir, where Syrah has long reigned as the sole grape variety, but in a terroir of terraces of rolled pebbles rather than limestone scree.

TASTING

In our blending, faithful to the styles of the wines we like at Marrenon, we seek to associate to these expressions of fresh fruits and floral notes, a style in mouth with a freshness coated and integrated in sensations marked by softness and roundness. A sculpted mouth, tense but velvety, with a great finesse of tannins
