Un Voyage dans les Vignes is a selection of the finest Loire Valley wines by a team of enthusiastic wine lovers

With the Loire vineyards firmly in our blood, we offer wines from demanding winemakers who work with respect for their soil, their vines and the environment.

Our roots in the Muscadet region also enable us to offer original creations, for a 100% Organic Qualité France catalog.

PRESENTATION

The originality of our cuvée Mozaïk is an assembly of Cabernet franc from two great terroirs and subsoil of Anjou: schist of Anjou "black" and limestone of Anjou "white".

LOCATION

Located in the extension of the Armorican Massif, the Clisson vineyards follow the contours of a granite massif known as "Clisson granite".

TERROIR

A siliceous rock, this granite produces shallow, fairly poor soils that warm up well.

WINEMAKING

Harvested when ripe, then fermented in underground tanks.

AGEING

After 8 months on its lees, it is bottled in the spring.

VARIETAL

Cabernet franc 100%

GM: No.

Contains sulphites. Does not contain egg or egg products. Does not contain milk or milk-based products.

SERVING

TASTING

A floral nose, with a touch of gunflint, precedes a fresh, saline attack on the palate. The ageing gives it a long finish.
