

AMÉDÉE

VIGNOBLES EN PARC NATUREL

La Roveria, IGP Méditerranée BIO, Rosé

IGP Méditerranée, France

This rosé wine of character, organically produced, comes from high altitude terroirs overlooking the Durance River, in the heart of the Mediterranean country.

PRESENTATION

Numerous potteries, attesting to the presence of the famous Templar brotherhood, have been discovered in our region. The name of this wine, "La Roveria", comes from the name of the bastides erected at that time.

TERROIR

From the Luberon terroir, the vineyards are located on limestone marl at 400m altitude.

IN THE VINEYARD

Harvest starts at the beginning of October, at night.

WINEMAKING

Short skin maceration. Only the first press fractions are used. Cold settling. Alcoholic fermentation at 16°C

VARIETAL

Grenache noir

12.5 % VOL.

Contains sulphites. Does not contain egg or egg products. Does not contain milk or milk-based products.

SERVING

This rosé wine will be the perfect partner to a nice plate of Corsican charcuterie, marinated duck aiguillettes or a cheese board.

TASTING

Beautiful pomelo color with nice purple reflections. In the nose minerality with some discreet and elegant notes of elderberry and pear.

In mouth the attack is frank, with a crunchy frame. A nice freshness with a slight rigor that makes it a wine for gastronomy.
