MAISON DE VIGNERONS
ENTRE MER & MONTAGNES

MARRENON, Les Iconiques, Gardarèm

AOC Luberon, Vallée du Rhône, France

Gardarèm is an exceptional wine with excellent aging potential....

PRESENTATION

Yes, this dream land, this Luberon, we, the winemakers of Marrenon, will preserve and protect it. For us, for you, for our children and for our ancestors who designed it. These symbolic villages are marked by our art of living. This pure mountain, whose secret springs nourish a human landscape, is defined by the vines. We, the farmers, are forever the actors of this land and will remain its guardians.

TERROIR

2 main terroirs: on the south Luberon side, plots with limestone fragments, in an early-ripening zone, and plots at 500m altitude on clay-limestone soils with very high stony content. On the north side, the vines are located at an altitude of 400 metres, facing north, with clay-limestone soils.

HARVEST

Harvesting always starts very late, at the end of September and lasts until 10 October.

WINEMAKING

The harvest is destemmed, and the grapes are then vinified with the aim of achieving a gentle, controlled extraction, but during a long maceration period of 5 to 6 weeks, passively. Only the run-off juice is recovered.

Aged for 2 years in 100% new barrels.
