Champagne, Champagne Toullec, Assemblage, AOC Champagne Premier Cru, Effervescent Brut

AOC Champagne premier cru, Champagne, France

Anthony & Clémence are the 5th generation managing the family estate : the vineyard is divided in 24 parcels in the Montagne de Reims, all in Premier Cru. They took over the estate in 2017, releasing their first Champagnes in 2020. With their 5 hectares of vines, they produce 7000 bottles and sell part of their grapes to Pol Roger. Their vines are just like their house and winery: impeccable. They are cordoned off, grassed every other road, and mechanically worked, using no products on the vines.
