PRESENTATION

The expression of the "Zellberg" terroir is fully expressed in this wine. It gives us pure Rieslings with a fine and sharp acidity. This straightforward wine offers fresh aromas, mixed with a minerality that will evolve with time.

THE VINTAGE

2019: the vintage of all elegance, propitious to Riesling which offers us racy, structured, expressive vintages with a great precision on the finish.

TERROIR

The Zellberg is a south-east facing location at the northern entrance to the municipality of Nothalten. The area of 35 hectares is made up of marly-limestone conglomerates; we cultivate several plots planted with Riesling and Pinot Gris. It is a great terroir which is in the very extension of the Grand Cru Muenchberg.
