

BALADE ROMANTIQUE

Balade Romantique, Viognier, Blanc, 2022, Vis IGP Pays d'Oc, France

TERROIR

The grapes come from 4 mineral terroirs with loamy, calcareous clay soils : freshness and vivacity. These filtering soils combined with extremely high temperatures allow for optimal ripening of the grapes, the development of pleasing yellow fruit flavours, and lend freshness to the wine

WINEMAKING

Alcoholic fermentation is slow and takes place in stainless steel tanks under monitored temperatures. A large part of the cuvée undergoes malolactic fermentation. Aged on fine lees for 6 to 9 months.
