Domaine de Bois Mozé is a charming estate located in the village of Coutures in Anjou. The estate itself is a historical building since XI century, being the farm of the Montsabert castle. Bois Mozé is atypical for the appellation, 3/4 of the vineyards are located on the hill, just above the estate with a classic Saumur terroir, clay-limestone. Since 2004, Mathilde Giraudet is in head of the estate and in charge of the winemaking. Her ambition from the start was to carry out the work in the vineyard in the
