

Château de Gorrichon

AOC Côtes de Duras - 2024 - **ROSÉ**

PRESENTATION

"Me and my sister represent the 7th generation (the 8th with my daughter) on the property.

We both work hand in hand, each of us doing our favourite job, working in the vineyard and doing administrative work. Our parents still live here and keep an eye on the vineyard and its evolution.

The family has always been involved in working in wine cellar since 1976.

On the top of this , we also offer some quality accommodation services with Gîtes de France network."
