

# DOMAINE DE BEURENARD

## Domaine de Beurenard - Gran Partita Red 2017

AOC Châteauneuf-du-Pape, Vallée du Rhône, France

### THE VINTAGE

After a particularly cold January that allowed the sap to descend completely and the vines to rest thoroughly, 2017 experienced many different weather conditions in the course of the growing cycle. This caused a high incidence of poor fruit set, particularly in the highly sensitive Grenache, resulting in low yields.

However, frequent applications of healing biodynamic preparations maintained the clusters in excellent condition, ensuring a healthy crop.

### TERROIR

Safres, clays and pebbles are found and deliver all their geniuses.

### BLEND

Blend of the 13 grapes varieties of the appellation

### WINEMAKING

Sorted manual harvest, fermentation, long vatting allowing a delicate extraction.

### AGEING

Aged for 24 months in casks, aging in the bottle.

### VARIETAL

Grenache, Syrah, Mourvèdre, Cinsault, Counoise, Muscardin, Vaccarèse, Terret noir, Roussanne, Clairette, Bourboulenc, Picpoul, Picardan

### TASTING

Combining a deep and brilliant color with delicate and complex notes that gradually reveal themselves ; Gran Partita is the result of our constant search for finesse and balance. A singular, identity wine.
