Perle de Valensole - IGP Alpes de Haute-Provence Rosé 2023

IGP Alpes de Haute-Provence, France

Situated in the heart of the Alpes-de-Haute-Provence Valensole is one of the largest villages in France in terms of its area. Known as the breadbasket of the region, its 800 km² plateau is mainly dedicated to growing lavender but there is also winegrowing on a more limited scale.

PRESENTATION

The quality and typicity of this unique terroir associated with Mediterranean- Alpine climate offer ideal conditions for vineyards. Sheltered from strong winds and extreme weather, the wines are lighter and more aromatic than vintages made from grapes that grow at a lower altitude to the south.

“Perle de Valensole” is rooted in this exceptional landscape and region. The wine is produced according to a method that respects the surrounding fauna and flora and is the result of a strict method aiming to illustrate the typicity and unique character of the appellation.
