

MARRENON

MAISON DE VIGNERONS
ENTRE MER & MONTAGNES

Versant Nord, AOP Luberon, Rouge

AOP Luberon, Vallée du Rhône, France

The North Slopes are the origin of structured wines that open up over time, with good complexity.

PRESENTATION

The Luberon is a mountainous massif on which our vineyards stretch out according to various exposures, all along a string of villages with multiple facets. This cuvée comes from a selection of parcels located on the southern side of the Luberon. This cuvée shares the will of Marrenon's winegrowers to express the richness of their terroir in the respect of nature.

TERROIR

Clay-limestone soils of the slopes with a North-West exposure of the Luberon.

IN THE VINEYARD

Late harvest due to the northern exposure of the plots.

WINEMAKING

The vinification is controlled to keep all the aromatic freshness (fermentation temperature between 18° and 19°C) and obtain full and silky profiles (maceration without extraction).

AGEING

Aged 100% in vats after a meticulous work of racking. After the malolactic fermentation, the wine is aged on the fine lees.

VARIETALS

Syrah 80%, Grenache noir 20%
