MAISON DE VIGNERONS
ENTRE MER & MONTAGNES

MARRENON, Les Biosphères, Amountanage, AOP Ventoux BIO, Blanc

AOC Ventoux, Vallée du Rhône, France

PRESENTATION

The cuvée Amountanage, which means transhumance in Provençal, is an ode to nature and to this high altitude land where the transhumance of the ewes gives rhythm to the life of the Luberon massif every year. The winemakers of this Marrenon wine are committed to a proactive approach to the environment. Certified and controlled by an independent organization, this wine is guaranteed organic.

TERROIR

The parcels are exposed to the South on areas of altitude between 200 and 300 meters. The vignes of Clairette are on a clay-loam soil, and the Roussannes on a clay-limestone soil.

IN THE VINEYARD

The plots are cultivated according to the principles of Organic Agriculture.

HARVEST

The grapes are harvested at night in order to keep all their freshness and minerality.
