PRESENTATION

True to its "So Fresh, So French" promise, La Belle Angèle unveils a fresh, expressive and approachable alcohol-free red wine.

The grapes are sourced from carefully selected terroirs known for their high aromatic concentration, helping to preserve the wine's richness and character after dealcoholization.

The result is an elegant and convivial alcohol-free red wine that preserves all the pleasure of an aromatic wine in a modern and indulgent style.

WINEMAKING

After traditional vinification, the wine undergoes a gentle dealcoholization under vacuum at low temperature (35°C). This precise technical process allows to preserve the aromas and freshness of the wine to the maximum. Special attention is then given to the final balance, with a real mastery of the texture and aromatic profile, in order to preserve all the greediness, harmony, and accessibility of the wine.

TASTING NOTES

With its bright ruby-red color, Les Jamelles 0% Red Wine reveals an expressive nose with aromas of fresh red berries, crushed strawberry, and cherry. The palate is supple, fresh, and harmonious, supported by vibrant fruit intensity and a well-balanced texture. The finish is generous and approachable, pleasantly extending the red fruit flavors.

FOOD PAIRINGS

La Belle Angèle 0% Red Wine is the perfect companion for simple and enjoyable moments shared with friends and family. Its freshness, smooth texture, and delicate red fruit notes pair beautifully with grilled vegetables, pizza, burgers, or savory tarts. Serve at 63°F.
