Les Hauts de Cairanne - AOC Cairanne Red 2023

AOC Cairanne, Vallée du Rhône, France

The origins of this vineyard date back to Antiquity. It has been tended to by the Gaul and the Romans before declining under the reign of the Barbarians. It made a formidable recovery in the Middle Ages, spreading from the village to the vast plains in the region under the Knights Templar, the Knights Hospitaller and finally the Popes.

PRESENTATION

Today, Cairanne is a quaint village nestled in a landscape featuring rocky outcrops, a charming river, sunny hillsides, fragrant garrigue. The vineyard is implanted on the border of two spaces: it combines the assets of northern Rhone valley and its Syrah with the definitely southern Grenache and Mourvedre.

This wine is the result of a rigorous production method applied by some of our best partner vine-growers. Blending and maturing is ensured by our teams, mindful of constantly offering the very best of the appellation.
