

Horizon

AOC Bordeaux - 2022 - RED

PRESENTATION

Horizon embodies the work of winemakers committed to environmental sustainability for over fifteen years. To maintain optimal coherence, we have designed an ecofriendly bottle to minimize our environmental footprint:

.A product of organic viticulture
.A carbon-neutral cork made from sugarcane
.A label made from recycled fibers, including all legal
information to avoid the need for a back label
.No capsule over the cork to reduce waste (permitted by
regulations since June 1, 2019)
.A lightweight bottle for a reduced carbon footprint

THE WINE

VARIETALS: Cabernet franc 60%, Merlot 40% **WINEMAKING / AGEING**: Traditional

TASTING

Dark red color with purplish highlights. The nose has a hint of vanilla, revealing subtle touches of dark fruits. The palate is indulgent and fleshy, with an aromatic profile dominated by toasted notes, creating a balanced profile.

SERVING / FOOD PAIRINGS

SERVING: 14°C

FOOD PAIRINGS: Ideal for pairing with tapas, burgers, and

barbecues.
