wine selection

Loire, Domaine Varinelles, Lune rouge, Vin de France, Rouge

Vin de France, VSIG, France

In 2011, Laurent and Nicolas committed to certification in organic conversion, a job that requires time, will and a perfect knowledge of our vineyard. The challenge is real since the estate now covers 43 hectares. Through their wines, their convictions and commitments, they continue to produce a wine that is a reference in Saumur-Champigny and lives up to the unique heritage of the Loire Valley.
