This powerful wine goes with traditional cooking, game but also with cheeses and chocolate desserts.

REVIEWS AND AWARDS

"Coup de cœur de la rédaction.

D'un rouge sombre, intense, sa robe affiche de très belles larmes sur les parois du verre, en annonçant la concentration aromatique qui se dégage d'un nez complexe sur des notes de têtes florales (pivoine) et un fond réglissé. La mise en bouche fait ressortir nettement le pruneau à l'armagnac sur des tanins intégrés et une finale persistante."
