LOCATION

Discover the essence of the Languedoc region at La Vicomté, nestled between the historical towns of Béziers and Montpellier.

TERROIR

Our millenium-old vineyards span across rolling hills, basking in the radiant southern sun. Here, our vines thrive on the distinctive Villefranchian terraces and clay-limestone soils, nurtured by the rich sediments of the River Hérault. Experience wines with unparalleled character, crafted from our exceptional terroir.

IN THE VINEYARD

Crafted sustainably under the HVE3 environmental charter and organic agriculture practices, our fresh, fruity, easy-drinking vegan wines promise a taste experience that encourages conviviality and sharing. As pioneers in the field, we actively engage in groundbreaking research initiatives with INRAE (French National Institute for Agronomic and Environmental Research) in Montpellier, exploring innovative grape varieties that thrive amidst changing climates. Join us in embracing the future of winemaking.
