PRESENTATION

Nolwenn... Alexandra...

The 14th generation of the Famille Quiot. Two little girls with first names rich in history and myth. Two heroic and royal destinies. Two passionate and ambitious destinies. Two combative destinies and in search of independence. From "the white angel" to "the one who protects man"...

Much more than just a Cuvée, this wine represents a true story, it is a tribute, rich in meaning and symbology. A little bit of secrecy... a bit of sophistication... a lot of tradition and future... Here is the alchemy of the Nolandra cuvée. A wine that can be felt... it cannot be explained.

The first names, Nolwenn and Alexandra are the first names of the elders of each branch of the 14th generation.

THE VINTAGE

Nolandra is produced only in "great vintage" years on the domaine.

Far from the sirens of the press, we focus on our capacity and our production potential.

You will not be able to discover our Nolandra, only the years when the harvest has allowed us to produce our traditional cuvées on our different domaines with optimal quality. If this condition is met, then we work on the Quintessence : Nolandra.

TERROIR

Nolandra is produced only with grapes produced on our own domaines located in Châteauneuf-du-Pape and in our cellar, in the heart of the village.

Also, the terroirs are varied and representative of the appellation, our vineyards spread over Urgonian white rocks, rolled pebbles and sandy soils.

WINEMAKING

In order to obtain finesse, power, complexity and balance in our bottles of Nolandra, we adapt the vinification and especially the aging to its peculiarities, to each vintage produced.

TASTING

The purpose of our Nolandra is to offer you a finesse, elegance and balance wine. Qualities that we hope to pass on to the 14th generation of our family.

Also, more than long tasting comments, we prefer to let you discover for yourself the complexity of our Nolandra, as if you were getting to know each other.

"USA- vintage 2007

arrived in 1st position among the Châteauneuf-du-Pape - 95 pts

This is a special cuvée made only in 2007, a total of 4 000 bottles blended from the domaine's top vats. A regal red with scents of leather, roses and dried fruit, it tastes of cherries and dried herbs underlined with stone. What sets it apart is the acidity, a buzzing energy that travels through the wine from start through to the memory of its finish, a promise of a long life ahead. acidity that keeps it shapely and firm."

"France - Millésime 2007

Une Cuvée d'exception avec une très belle densité, de la pureté et une richesse aromatique qui dévoile un nez de jolis fruits noirs bien mûrs.

La bouche est ample, avec une attaque tendre et une finale de belle persistance, entre fruits noirs et vanille."

"Vinalies Internationales

Vintage 2007

Une couleur soutenue, attrayante mais surtout un nez abondant où des arômes de fruits noirs côtoient des effluves de lard fumé et de viande grillée. La bouche charnue dévoile de beaux tannins serrés et virils. Un vin de plaisir !

"USA - Vintage 2007

An impressively endowed effort, it reveals sweet black raspberry and floral notes, a full bodied mouth feel, silky tannins, good freshness, lively acidity, and a long aftertaste.. it should be at its finest in 2-3 years, and drink well for 11-14 years."

"France - Vintage 2007

Le nez est dominé par les fruits rouges, la réglisse avec une pointe d'épices qui semble monter en puissance. Bien structurée et souple, la bouche s'ouvre sur des tannins soyeux, la finale est longue, très longue"
