## Amountanage, AOP Ventoux BIO, Blanc

AOC Ventoux, Vallée du Rhône, France

### PRESENTATION

The cuvée Amountanage, which means transhumance in Provençal, is an ode to nature and to this high altitude land where the transhumance of the ewes gives rhythm to the life of the Luberon massif every year. The winemakers of this Marrenon wine are committed to a proactive approach to the environment. Certified and controlled by an independent organization, this wine is guaranteed organic.

### TERROIR

The parcels are exposed to the South on areas of altitude between 300 and 500 meters. The vines of Clairette are on a clay-loam soil, and the Roussannes on a clay-limestone soil.

### IN THE VINEYARD

The grapes are harvested at night in order to keep all their freshness and minerality. The plots are cultivated according to the principles of Organic Agriculture.

### VINIFICATION

the fermentation is at low controlled temperature (14-16°C).

### VARIETALS

Clairette 60%, Roussanne 40%

### 14 % VOL.

### SERVING

This wine will be a perfect match with a fresh sheep's cheese or a filet of monkfish with vegetables.

### TASTING

The nose is intense, with beautiful notes of white flowers. On the palate, after a clean and mineral attack, flavors of citrus fruits and in particular of candied lemon are revealed. The finish is marked by tasty notes of honey.
